

# Managed Care List

First Quarter 2018

Wake Radiology is a participating provider for all major managed care insurance plans in our area. We provide imaging services and file claims on behalf of all patients, including those with out-of-network insurance plans where a higher cost share may apply. If you have any questions about our managed care contracts, please contact our Business office at 919-787-8221 or email [askbilling@wakerad.com](mailto:askbilling@wakerad.com).

**Patients are responsible for verifying medical benefits with their insurance carrier prior to receiving service.**
