

Body Imaging Specialists

WAKE RADIOLOGY OUTPATIENT IMAGING

BODY IMAGING RADIOLOGISTS

All body MRI, CT and PET-CT imaging performed at Wake Radiology's outpatient offices is interpreted by a subspecialty trained body radiologist. Physician monitored IV sedation provided as needed at most locations.

PET-CT Physician Hotline: 919-233-7280
Body MRI Physician Hotline: 919-788-7978
Body Imaging Physician Hotline: 919-662-9500

Our body imaging services include:

- **PET-CT and nuclear medicine**
 - Positron Emission Tomography (PET-CT)
 - Total body bone scan
 - Gastric emptying
