MARGARET R. DOUGLAS, MD  
Director of Pediatric Imaging  
Pediatric Radiologist

CATHERINE B. LERNER, MD  
Pediatric Radiologist

### DEDICATED PEDIATRIC IMAGING

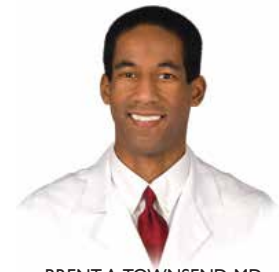

All pediatric imaging performed at Wake Radiology outpatient offices or a hospital affiliate is interpreted by one of our four fellowship-trained pediatric radiologists, all of whom hold a Certificate of Added Qualification (CAQ) from the American College of Radiology. Our pediatric imaging office in West Raleigh is the only outpatient center of its kind in the Triangle and is staffed by a Pediatric radiologist daily.

**PEDIATRIC PHYSICIAN HOTLINE: 919-782-4830**

**EXPRESS SCHEDULING: 919-232-4700**

LAURA T. MEYER, MD  
Pediatric Radiologist

BRENT A. TOWNSEND, MD  
Pediatric Radiologist

### OUR PEDIATRIC IMAGING SERVICES INCLUDE:

- Low-dose CT
- MRI / MRA - for children who do not require sedation
- Nuclear medicine
- Ultrasound
- Low-dose pulsed fluoroscopy
- Conventional radiography (X-ray)
- Other
  - Bone density scans including densitometry (DXA) interpreted by ISCD certified MSK radiologists
  - Rheumatology injections performed by MSK radiologists
  - IR services, including biopsies performed by interventional radiologists

Wake Radiology also performs imaging for patients with chronic diseases who need coordinated care at a tertiary care center.

Providers and staff are encouraged to call our pediatric physician hotline at 919-782-4830. Our radiologists are available to answer all pediatric imaging questions and to help guide the correct study choice. Requests for same-day & late-day add-ons can frequently be accommodated.

### ADVANTAGES OF OUTPATIENT PEDIATRIC IMAGING

Our West Raleigh location is staffed with a pediatric radiologist for hands on imaging and STAT diagnosis of acute conditions like RLQ pain to rule out appendicitis and many other conditions.

Call today to schedule, 919-232-4700.
