# Mammogram Screening Day

FREE MAMMOGRAMS FOR UNINSURED WOMEN

WEDNESDAY MAY 2, 2018

Wake Radiology is offering free screening mammograms on Wednesday, May 2, 2018.

**Eligible patients must:**

- be 40 years old or older
- be asymptomatic
- be uninsured
- have a doctor they have seen in the past 18 months
- have no personal history of breast cancer

For this special offer, we can only accept one patient per provider with a limit of five patients per practice. All appointments are scheduled on a first-come, first-served basis and will be performed at our **Wake Radiology West Raleigh** office located at 4301 Lake Boone Trail, Suite 100, Raleigh. To schedule this important exam for your patients, please call Marlene Amaral at **919-788-7887**.

We can only accept scheduled appointments for this free mammogram offer and cannot accommodate walk-ins.

Wake Radiology is proud to be the first outpatient imaging provider in the Triangle to earn the American College of Radiology's prestigious Breast Imaging Centers of Excellence (BICOE) designation.
